empowering lives

# Community fund application form

## About our community fund

At Abri, we're not just about building homes. We're about building great communities, where people want to live. We believe local people know what's best for them and their community. When people living in an area take a leading role in creating change, great things can happen.

We're committed to investing in our communities. Our community fund is one way to help drive change, transform our communities, and provide opportunities. We aim to invest in local 'grass roots' organisations who want to make our communities a better place to live. **If you have a project that will support our customers in our communities and need some funding to make it happen, we'd love to hear from you.**

The rising cost of living impacts disproportionately in our communities, Applications that clearly demonstrate an impact in this area for our customers will be prioritised. We are keen to support applications that consider the health and wellbeing of our communities, particularly prominent to this in current times is helping to combat the cost of living crisis. If applicable, please detail this in your application.

Although we are keen to support projects that help all communities, we would like any applicant organisation to demonstrate how they will specifically be able to engage with people living in Abri homes.

To find out more about our Community Strategy and communities we've identified as investment zones, please look on our website: <https://www.abri.co.uk/services/enterprise-investment/community-investment-plans>

## Who should apply?

We welcome applications from local community groups, voluntary organisations, charities or similar organisations who have an idea or a project which will benefit Abri residents and the local community.

We want to support as many projects as possible, so we have a maximum limit of £3,000 per application. This may mean that we can't always offer you the full value requested; the final decision is at the discretion of our funding panel.

Our funding is available during advertised 'funding windows' throughout the year. To check the date of the next window, visit our website: <https://www.abri.co.uk/services/enterprise-investment/community-funding>

## Are you considering a larger project?

We may be able to consider projects where the cost exceeds the usual £3,000 maximum.

We refer to our larger Community Fund Grants as 'Partnership Projects'. Organisations delivering Partnership Projects are expected to work closely with a member of our Community Services Team and be familiar with the local delivery plan for the Abri Community Investment Zone where the project will take place.

You will be expected to provide monitoring information proportionate to the size of your project and contribute to our Social Value ambitions.

**Please contact us at [community.fund@abri.co.uk](mailto:community.fund@abri.co.uk) to discuss your idea.**

## What happens next: our approvals process

We have a three-stage approval process.

**Step one:** We will consider if the application is in line with our Community Investment Strategy and its aims.

**Step two:** funding cannot be awarded until we have completed our due diligence checks. This may include internet searches and cross-referencing information. We will also check the supporting documents provided. It is essential you return all documents listed on page 11 with your application. We may contact you for further information at this stage.

**Step three:** the application will be presented to our customer-led panel for their opinion.

We will then contact you to inform you of our decision and provide feedback if your application is not successful.

We'll share whether you've been successful within 4 weeks of the closing date. For successful applications we will aim to make payment by 8 weeks after the closing date subject to all supporting documentation being received and due diligence checks.

If your application is successful, we will confirm what feedback will be required to evidence the impact of your project and other documents you will need to sign and return.

### Now send your application and all support documents:

By email to: [community.fund@abri.co.uk](mailto:community.fund@abri.co.uk)

Or by post to: Enterprise Investment, Abri, Lupin Way, Yeovil, Somerset, BA22 8WN
